FOCUSED

CobraHelp is home to the Experts in our field because we are solely focused on continuation coverage (ERISA)compliance solutions. Our team was built by design, bringing the best and brightest in benefits together as an extension of your HR department. We are specialized in COBRA and continuation coverage in a way that other administrators are not, and that unique combination of skill, expertise, pricing and structure brings you paramount service.

COBRA

Comprehensive, user-friendly, intuitive COBRA continuation and HR solutions that are tailored to the unique needs of your business. We offer COBRA service options for any employer group, and at a price that can't be beat. Outsourcing COBRA saves you time, money, reduces risk, and allows you to stay focused on other important aspects of your business.

POST EMPLOYMENT EXPERTS

CobraHelp lifts the burden of time-consuming, high-risk compliance requirements imposed upon employers.

We handle:

- Federal COBRA in all 50 states.
- Colorado Continuation Administration
- Retiree Coverage Billing
- Leave of Absence Billing
- Annual Open Enrollment
